

Crossfield Chronicle

Vol. 35, No. 17

EDMONTON, ALBERTA, MONDAY, APRIL 20, 1953

SHOWN ARE ELEVEN of the printers recently honored by the I.T.U. Local 604, along with Mr. W. J. Power, a 60-year member of the Union who made the presentation of the 50- and 40-year buttons. Sitting, left to right: Thomas Stanford, James Marshall Hodgins, Daniel K. Knott, Wm. J. Power, Fred Guest, Wilfred John Tiplin, Edward Marksell. Standing, left to right: Ralph Stinson, Walter M. Kerr, William G. Walford, Charles D. MacCallum, Clarence A. Fleming, Byron W. M. Bellamy. From Athabasca was unable to be present.

Edmonton Branch Typographical Union Honors Long-Time Members

EDMONTON—When the local Typographical Union held a presentation dinner and dance recently, twelve members were honored for their long and devoted service to the Union and to the Printing Trade.

Among those who were honored were two members of the staff of the Edmonton Sun and one former staff member.

The two members of the Sun staff are, Ralph Stinson and Walter Kerr who were presented with their 40-year buttons. Mr. J. M. Hodgins, formerly with the Sun received his 50-year button.

Mr. Stinson came to Canada in 1907 and commenced his apprenticeship in Edmonton the following year.

Mr. Kerr came to Canada in 1913, after serving his apprenticeship in Belfast, Ireland.

Both of these men are still active in their trade and take a deep interest in the work of their union.

The buttons were presented by Mr. W. J. Power, who himself is the proud possessor of the button representing 60 years of service to the trade and the union.

The members who were honored on the occasion were: Mr. J. M. Hodgins, and D. K. Knott, both of Edmonton, 50-year buttons.

Forty-year buttons were presented to: Ralph Stinson, Edmonton; Walter Kerr, Edmonton; William Walford, Edmonton; Fred Guest, Edmonton; Wilfred Tiplin, Edmonton; Clarence Fleming, Edmonton; Charles D. MacCallum, Edmonton; Edward Marksell, Edmonton; Thomas Stanford, Edmonton; Byron Bellamy, Athabasca.

In Memoriam

In loving memory of John Donald "Jackie" Fairbairn, who passed away April 23rd, 1942.

Loving memories never die. As years roll on, and days pass by, Deep in our hearts a memory is kept

Of the one we loved and will never forget.

—Ever remembered by Mother, Daddy and brother Bob.

Five Locals Boys Attend Tuxis Conference

CROSSFIELD—Rev. Dovey of Crossfield United Church was responsible for five of our local boys' attendance at Tuxis Council, Calgary, Scarborough United Church, which was the start of a three-day session (April 10, 11 and 12).

Registration was at 1 p.m. and the boys enjoyed watching a basketball game, Lethbridge vs. Calgary, followed by a cavalcade car tour of the city. At a supper at the YWCA His Worship Mayor Don Mackay was enjoyed as guest speaker, and a sing-song was led by Walt Brown. At 8 p.m. a conference get-together with the AOTS was a pleasing part of the program. On Saturday, Rev. A. Edworthy spoke on the Christian attitude towards alcohol. Question period and discussions followed in the Memorial Hall.

At 11 a.m. the boys enjoyed Harry Wood, ex-football star for the Stampeders, followed by question and discussion period.

In the early afternoon, Mr. Paul Breken, alderman, M.L.A. and outstanding citizen, lectured on Spiritual Training; this was held in the Sunday school room, and was also followed by questions and discussions. At three o'clock Mr. Nell German, barrister, former Tuxis man, addressed the boys on the topic of "Training Mentally or For Good Citizenship". Questions and discussion groups followed. At 8 p.m. the boys enjoyed a social evening with the CGIT and listened to an excellent "youthful" orchestra. The MC was Mr. Don McLeod.

On Sunday, at 9:30 a.m., a special church service at Scarborough United was attended and a fine sermon delivered by Rev. S. J. Parsons. The boys registered in the Memorial Hall and received a noon-day lunch after which they returned to their homes.

The purpose of these conferences

Senior WA Holds Mother's Day Tea

CROSSFIELD—The Crossfield WA held its monthly meeting on Tuesday, April 14, with a fair attendance. Mrs. Hurt was in the chair. Mrs. G. Onell recorded the minutes. Mrs. Lilley, treasurer, spoke on our Angela Missions as recorded in our missionary study book, "Along African Trails", and Mrs. C. Richardson was in charge of the Devotional, which was in keeping with Easter.

The annual bazaar was discussed, and those present were able to thank Mrs. G. Onell for her time and trouble in selecting very nice prints and organdies whilst she was holidaying in California. Mrs. Hurt and Mrs. Onell will supervise distribution and stamping of the work, together with other helpers. At this meeting it was decided to have a Mothers' Day tea, sale of home cooking and novelty table in the Community Hall on May 9, Saturday, and it is hoped that everyone will mark calendars for that date. Mrs. Chas. Fox is in charge of the tea tables, Mrs. Lilley and Mrs. Smith the bake table.

At this meeting 14 sat down to enjoy a delicious lunch prepared by Mrs. G. Onell with the table attractively centered with a pretty arrangement of daffodils and iris, created handwork of Mrs. Onell from wood fibre. Rev. and Mrs. Dovey were present to lunch.

Crossfield News Briefs

While at the Edmonton Sales, E. A. Montgomery bought a pair of good Shorthorn females to strengthen his herd. The one heifer was Melbar Sally, purchased from Wm. Melnyk and Sons, Chipman, Alta., she is a half sister to the Champion Shorthorn bull at Edmonton and is bred to the \$15,000 Killbuck Max, William. The other cow purchased was from the herd of F. H. Dunstan and Sons, Lloydminster, Alta., Sask.

Const and Mrs. Clavette have enjoyed a visit from the latter's parents and niece Nickie.

Is to stimulate boys' work among churches and to discover and train leaders. There were 45 boys in attendance.

Red Cross Campaign Continues To Roll, Reaches \$13,000 Mark

CROSSFIELD—Contributions to the Red Cross Campaign for funds continues roll in at a good rate. Donators to date have contributed a total sum of thirteen hundred and three dollars and eighty-three cents.

good

The list of contributions for the past week shows a total of \$559.50, which is a substantial amount to add to the previous \$744.33.

Those donations received recently are:

Garden Club Elects New Slate

The Happy Gang Garden Club held its first meeting on April 19 at the home of Mrs. E. R. Bant.

The meeting was held to elect the officers and the results were as follows:
President, Lavonne Becker; Vice-president, Margaret Aldred; Secretary, Beverly Stillings; Treasurer, Joyce Jensen; Lunch Committee, Marion Banta, Joyce McDonald; Sick Committee, Evelyn Banta; Press Correspondent, Lillian Aldred; Demonstration Committee, Lavonne Becker, Evelyn Banta, Margaret Aldred.

The meetings are to be held on the Thursday of the second and fourth week of each month, at the homes of the girls, at 8:00 p.m.

A general discussion was held at a lunch which was served later.

Should A Person Support Local Sport?

By Jack Lee

Nearly all young people are sports minded and in this way they not only participate, but also learn to play games well.

It is from local home town teams that professional hockey, baseball and football players are chosen.

People support their own players and all enjoy the privilege of sportsmanship.

Local people are the backbone of any venture and certainly support home talent.

In no other sports is competition so keen and wholesome.

Therefore good people of Crossfield let us unite more socially and choose the young that are worth our united efforts. Push a little harder and offer our moral as well as our financial assistance to the youth of today who will be your citizens of tomorrow. It takes united effort to achieve success, so boost more, condemn less and watch for results.

Since the war 441,000 Canadian soldiers have received free transfusions of whole blood or plasma from the Red Cross Blood Transfusion Service.

Spring To Me

Kenneth Hutchings, Beaverlodge
Spring to me is the sweetest time,
When after the winter's snow is gone.
The soul is full of song and rhyme,
And it seems that winter wasn't long.
When spring arrives the world seems new,
Rivers can be made with hoe,
Children raft upon the slough,
And livestock to the pastures go:
Spring is the time for rubber boots,
For drowning gophers in their holes,
For taking out your lighter suits,
And fixing up your fishing poles.
Spring is when the crows arrive,
And birds begin to nest.
When all the world is so alive,
And we're close to Mother Nature's breast.
Spring to me is the time of flowers,
Of crocuses and violets blue,
Of buttercups and April showers,
When grass is turning a greenish hue.
Spring to me is a time of hope,
At seeding time you feel on top,
You'll find there is an endless scope
To the expectancy of this year's crop.

Board Of Health Report

The following cases of communicable diseases were reported to the city during the week ending April 2, 1953:

	This Week	Last Week
Chickenpox	10	17
Erysipelas	4	—
Infectious		
Hepatitis	—	9
Measles	125	206
Mumps	38	27
Polio-myelitis	—	1
Rubella	88	108
Scarlet Fever	15	18
	284	380
Whooping Cough	2	—
Septic Sore Throat	2	—

There were no cases reported from outside the city.

Well Known Farmer Injured In Accident

PARTRIDGE HILLS—It is with regret we report a serious accident to James Allanach of Partridge Hills last week. Apparently his light truck became mired in a mud hole near his home and on attempting to hook it up to his tractor to pull it out, the tractor slipped back and pinned him to the truck. Besides broken ribs and torn ligaments, there is a possibility of internal injuries.

Mr. Allanach is a well known and respected farmer at Partridge Hills, south of the town of Fort Saskatchewan. He is an active member of the Local F.U.A., secretary of the Fort Saskatchewan and District Electrical Co-op Association, an executive of the Fort Saskatchewan Curling Club and a Past Master of Victoria No. 13, A.F. and A.M.

Women's Group To Hold Classes

EDMONTON—The Silver Cross Women's Association plan to hold a series of handicraft classes within the next few weeks. Any member of the organization interested is asked to attend these lessons, starting Thursday, April 9, in the Memorial Hall at 2 p.m.

Mrs. J. Bishop Attains 90th Birthday

EAST EDMONTON—Birthday greetings go out to a grand old lady this week, a pioneer resident of the East Edmonton district, Mrs. J. Bishop, on the occasion of her 90th birthday.

Everyone wishes him a speedy recovery and an early return home.

Bessie's Modern Plumbing

Mrs. R. M. writes in the Brockton Times: "My little nephew had been on a vacation at the farm. When he came back, I asked him if he'd had a nice time and he replied boldly, 'Yes, it was great fun watching the farmer pulling the cow's faucets.'"

A full-grown wolf, the Canadian wilds weigh in at the average 100 pounds.

A healthy, six-foot Canadian male should never weigh more than 185 pounds, according to medical statistics.

The Canadian coyote, unlike most animals, usually mates for life. Hunting is done in pairs.

Crossfield Lockers and Cold Storage

Wish to announce that we have installed a new checking-out system for your convenience at all times.

Since extensive arrangements have been made we are now able and in first-class shape to handle any processing. We can supply you with all types of Frozen Foods.

Minutes Of Board Meeting Buffalo Park Grazing Assoc.

WAINWRIGHT—The board met in Town Hall, on April 8, 1953 at 8:30 p.m. with Directors Patterson, Jackson, Tennant, Brown and Kimball present. Director Patterson called the meeting to order in the absence of the president, and was nominated as vice-president for the current season on motion by Brown-Jackson.

Minutes of the Board meeting of January 21, 1953, and of the Annual Meeting held February 3, were read and adopted on motion of Jackson.

The Treasurer presented a financial report covering operations since the annual meeting, showing receipts of \$238.70 and payments of \$1574.28 leaving bank balance and cash on hand of \$2064.23 general account and \$1190.30 in trust account.

Motion Tennant-Brown—That financial report be adopted as presented.

Mr. L. L. Davis of Heath was present upon notification of meeting to discuss fencing problem and account in the north area.

Motion Kimball—That the Association build fence, supplying two new wires on South and West of SW 31-43-4 West 4th, and install 1 mile of wire to be supplied by Davis on South of SE 31 and SW 32-43-4, with Davis to maintain West half and Assoc. to maintain East half of full fence in future. Carried.

Motion Tennant—That Assoc. pay L. Davis acct. in the sum of \$50.00 for fence repairs. Carried.

Motion Jackson—That the matter of Davis claim for damages be tabled until the next meeting of the board. Carried.

Motion Brown—That the action of the president and secretary in completing lease agreement with the Municipal District of Wainwright on the usual terms and payment of rental be approved. Carried.

Motion Brown—That lease agreement with M.D. Provost No. 51 on NE 34-41-5 West 4th be renewed and payment made therefor. Carried.

Motion Tennant—That lease agreement with Mr. Tangen for NE 12-42-5 W 4th be renewed on the same terms. Carried.

The secretary reported upon his discussions with the Camp Wainwright officials, concerning grazing areas for the current season. He advised that the local agreement, implementing the master agreement principles, and signed, would continue to be the basis of local operations between the Dept. of National Defence and the Buffalo Park Grazing Association.

Motion Tennant—That the report of the secretary concerning use of military land for grazing for the season 1953 as arranged verbally with Major Lawrence, O.C. Camp Wainwright, be accepted. Carried.

Motion—That grazing policy for the season be as follows: All East cattle to be placed on East range; all other breeding stock to be placed in Park Farm area; all other non-breeding stock to be placed on the respective ranges Section 9 in Military Camp area to be regarded as heifer pasture. Carried.

Application forms must be completed and sent into secretary before grazing of stock commences. Grazing regulations for work horses to remain the same as before at \$1.00 per month actual time.

Motion Jackson—That cattle grazing fee for the season until

Sept. 30, 1953, be \$3.00 per head. Carried.

Motion Kimball—That Foster Tennant be delegated to arrange for exchange movement of three bulls from East and West ranges, as soon as possible. Carried.

Motion Kimball—That Thos. Jackson account for fence labor be paid.

Motion Brown—That \$25.00 be placed in petty cash. Carried.

Motion Brown—That President and Secretary have signing powers for the Buffalo Park Grazing Association, with the Vice-President authorized to substitute in the absence of the President. Carried.

Motion Kimball—That fence on West side of NE 22-43-4 be rebuilt by the Association. Carried.

Motion Kimball—That meeting adjourn. Carried.

Current Blind Appeal Not Authorized By Institute

The canvassing of funds, purported to be in aid of the blind, which is now being carried on in Alberta, is not conducted by The Canadian National Institute for the Blind, Mr. R. V. Hewlett, Executive Officer for the Southern District of C.N.I.B., said today.

Mr. Hewlett said that numerous inquiries have been received at C.N.I.B. headquarters during the past weeks. Throughout Central and Southern Alberta, the C.N.I.B. holds its annual campaign in the fall, and it is not at present soliciting funds from the public.

The Canadian National Institute for the Blind is the only service organization in Alberta which has service centres in operation and which is engaged in extending a broad program of services to all blind people regardless of age, race, color or creed. The Alberta Division of The Canadian Council of the Blind, which works in close co-operation with the C.N.I.B., at no time appeals directly to the public for funds.

All citizens are advised by Mr. Hewlett to inquire fully into what they are being asked to support before contributing to any canvass said to be in aid of the blind, regardless of what organization is conducting the appeal.

Jr. Red Cross Aids Crippled Children

LEVELAND—The Leveland Junior Red Cross held their program on April the 13th in the S.D. A. Hall at 8 p.m. A good program was held by the two schools with both teachers Mrs. Emil Gramms and Inez York in charge. There was a charge at the door of 35c for adults and 15c for children.

\$35.96 was taken in at the door. Members of the school had a nice line of goods which they made at school, these were sold by John Leiske and brought \$28.50.

The total of \$64.46 was turned over to the Junior Red Cross Crippled Children's Hospital.

U.S. steel capacity had its greatest rise in 1952.

it's

IMPORTED

...So what?

Side by side on the merchants' shelves—Canadian materials and "imported" goods. Do you get any advantage when you go for "imported" products?

In textiles, at least, the answer is simple. Canadian mills turn out fabrics and yarns that match or better the production of any other textile country of the world in quality.

They are made by Canadians who are paid good Canadian wages; they are designed to please Canadian tastes, meet Canadian needs.

This is no plea to shun "imported" materials. They should be considered along with domestic products by every Canadian consumer, but on a strict *what-do-I-get-for-my-dollar* basis.

Ask for Canadian textiles if you want the best for your money.

Has Spring Arrived?

Though mid-April temperatures in Alberta did hover around the zero mark, the calendar shows that spring has arrived. And some hardy strains of migratory birds have arrived too. Besides all this, reports have come in to us of definite signs of spring in other localities on this continent.

In Miami, Florida unseasonably warm weather forced the mercury up to 83 degrees last week. Usually, they tell us, it seldom goes over 80 in April.

There are other indications. One of the most infallible is the rebellion of the animal kingdom against the ties that bind, the habits and tedium of the daily routine.

In Detroit, a bus driver has revolted. He grew tired of critiques of his technique, and walked away. He told his passengers, mostly women, that the bus was theirs to do with as they pleased.

In Philadelphia, a postman gave in to a sternly suppressed desire. He locked two children in one of those big green storage boxes. He explained to his superiors that the children had been interfering with his mail sorting for a long time, and this was their punishment.

In New York a delivery horse fled the Washington Market, a regular stop for years. He was found hours later inspecting another part of town.

Spring is the season for runaways, for last-minute filing of income-tax returns, for vacant moments when we dream of a warm summer day and a fishing line. The news as well as nature prove spring is definitely here.

A Major Medical Discovery

A vaccine, designed to provide immunity against all three types of virus causing infantile paralysis has produced favorable results in the first controlled test on six children it was announced late in October. The tests were carried out at the John Hopkins University polio laboratory by Dr. Howard A. Howe.

The first test was made with chimpanzees, which were given the same amount of vaccine six children were later given. The chimpanzees developed immunity agents known as antibodies, in their blood and the children developed the same antibodies in comparable form.

These antibodies possess the ability to neutralize three types of virus responsible for human polio—Lansing, Leon and Brunhilde. The vaccine holds out tremendous promise, although Dr. Howe emphasizes that the tests are still in the relative preliminary stages and that more extensive laboratory work is necessary before the vaccine could be made available for general use, or could be proved absolutely reliable in all circumstances.

Despite this sensible statement, the new vaccine offers the greatest hope in the fight against polio in the entire history of the human battle against the dreaded disease. The perfection of the vaccine must stand as a major triumph in the field of medicine, perhaps the greatest, or certainly one of the greatest, achieved in the year 1952.

Men Of Valor

Lying on his back, looking upward, Michelangelo painted 343 figures over a space of ten thousand square feet on the ceiling of the Sistine Chapel in Rome. Reflect on the fortitude required for this magnificent achievement. Day after day for more than four years he worked alone, with only the help of laborers. When the scaffolding was removed, the Pope, the experts and the people alike gazed upward in amazement and awe.

Notes and Comment

The failure of the rice and wheat crops in the Bombay province of India has resulted in severe famine in that area. About one-quarter of the state's 36 million people are affected by the drouth and food shortage.

The Bible Today

For by thy words thou shalt be justified, and by thy words thou shalt be condemned.—Matthew, XII, 37.

Soil Doctors

A specialized group of scientists has one of the most important tasks in Canada today—that of looking after the health of our soil. By diagnosing soil ailments and prescribing treatment, these soil chemists have a big hand in the maintenance of national health by helping keep the productivity of the land at a maximum.

It took many centuries for man to realize that growing crops extracted plant foods from the soil; that when crops were harvested or eaten by livestock, these nutrients were lost to the soil; that in order to harvest a vigorous crop from the same soil, plant foods such as nitrogen, phosphorus, potassium, calcium and magnesium had to be placed back.

To determine the identity and amount of foods in which soil is deficient, a soil test at least every three years has become almost an essential part of modern farm practice. Both federal and provincial departments of agriculture and industrial firms like Canadian Industries Limited, have soil testing laboratories, the services of which are available to farmers without charge.

Agriculturists whose crops are not thrifty under average weather conditions no longer need to grope in the dark for reasons and cures for such unthriftiness. They should avail themselves of the free soil testing services at their disposal as quickly as possible. After all, when a person is sick he or she goes to a medical doctor. When a soil is sick it, too, should be examined — by a soil "doctor".

Who Is Debt Free?

(An Editorial in the Peace River Gazette)

Probably we should feel a sense of satisfaction when we read the report of provincial treasury department officials to the effect that Alberta was technically debt free, that our cash assets exceeded our liabilities. This is a noteworthy achievement in private and business effort but is doubly so in the realm of government. We should be thankful we are not head over heels in debt, as are some provinces.

But we could not become over enthusiastic because a week ago we attended the annual meeting of the Town of Peace River. At that meeting we learned the town was faced with an increasing burden of school and hospital taxes. Faced with a problem child, the utility system, the town had to sink a lot of current tax money in the project and could not meet all requisitions to date.

At this same meeting we learned the provincial government made grants for various reasons totalling about \$9,000, but at the same time also learned the government does not pay taxes on government buildings. In the case of the town this would amount to a sizeable sum each year, for at a value of \$300,000 on the new government building, at a tax rate of 75 mills the annual tax would be \$2,250, but this was not or will not be paid by the provincial government property held within boundaries of the town and we find this munificent government did not do so well by us with the large grant.

Other towns and municipalities are faced with the same problem to a varying degree, and in some instances the debenture debt is becoming exceedingly heavy.

Therefore how can we derive much satisfaction when we learn the provincial government is out of debt while municipalities are going in the opposite direction?

We cannot deny the government's share of school, hospital and other services has been increased but it is becoming apparent the proportion is still too small. The provincial government is deriving a lot of revenue directly and indirectly from all parts of the province and is not sharing it as it should, apparently preferring to make a good showing in the financial statement before thinking of other aspects of the province's financial situation.

We are in favor of government operating on an even financial keel, but we do not think this is the case in Alberta today, where the provincial debt has been liquidated and the municipal debt has steadily increased. Let us hope the situation is faced realistically by our legislators in the forthcoming session.

NOTHING BUT THE TRUTH by Russ Arnold

ONE OUT OF EVERY THREE TRUCKS IS USED ON THE FARM!

BECAUSE OF DEEP SNOWS, THIS LAST WINTER, THE COLORADO HIGHWAY DEPARTMENT EXPERIMENTED WITH BIG GUNS TO TRY TO CONTROL SNOWSLIDES!! 75 MM. and 105 MM. Howitzers are best for this work of "SCHEDULED AVALANCHES."

Voice of the People

GRAIN HANDLERS' STRIKE

The strike of 278 grain workers in the terminal elevators in Vancouver and New Westminster has prevented the export of some 16 million bushels of Alberta wheat which normally would have passed through the elevators in the last eight weeks. The bulk of this wheat is still in the granaries or country elevators and will remain there until the strike is settled.

By virtue of the freight rate differentials between Vancouver and Port Arthur (which is 6 cents per hundred at Edmonton), and the large crop, ninety per cent of Alberta grain flows through the Pacific coast terminals, hence the vital importance of ending the strike quickly.

The Union is asking for a 12½ cents per hour increase in wages and for certain conditions of work termed "fringe benefits", which include a 10 cents per hour dust premium for certain very dirty jobs; two additional paid holidays; 5 cents per hour extra for the night shift; double time for work done on Sundays, and classification of jobs. The basic wage rate is now \$1.50 per hour for a 40-hour week.

The Union and the Grain Companies submitted the dispute to a Conciliation Board headed by Professor Crumb of the University of British Columbia. This tribunal recommended that the Union receive the fringe benefits, but recommended against a wage increase.

The Union accepted the majority report of the Board on all points except wages, and suggested that further talks be held between the Union and companies on wages.

The companies rejected the entire report of the Board and refused to make any changes in the 1952 agreement. Because of the refusal of the companies to negotiate, the strike of February 16th resulted.

Since the strike started, there has been no direct negotiations between the companies and the Union except two meetings called by a Federal Government Conciliator some three weeks ago. The companies have offered three fringe benefits, but have not budged on the wage question.

The Union has offered to compromise on both wages and fringe benefits and, in fact, by accepting the Report of the Conciliation Board, gave up a number of im-

portant requests for conditions of work.

The cost to the companies of the wage increase and fringe benefits requested amounts to approximately \$100,000 per annum. Enjoying the most prosperous years in their history, they do not plead inability to pay.

The companies simply state that their employees are not entitled to a wage increase or to the fringe benefits. The Union believes that its members should share in the prosperity of the companies as well as in their adversity.

The cost of the strike to the economy of Western Canada can be counted in millions of dollars. At the present time, wheat is being shipped from Alberta points to Port Arthur-Fort William at an extra freight cost of \$72.00 per car. This extra freight will be paid by the farmers. The absurdity of this can be realized as the excess freight on 1,500 cars would more than pay for the increases asked by the grain workers.

The Union feels that with compromises on both sides, the strike can be settled very quickly and the wheat from Alberta farms will move to the world market.

We are ready and willing to sit down with the companies and reach a settlement at the earliest opportunity.

DOUGLAS NEWELL,
Secretary,
Grain Workers' Union.

WE'RE NOT COMMIES

When your paper takes ads for the L.P.P., and doesn't offer a rebuttal to its lies it looks to me you are fostering the thin edge of Communism.

If we are to have freesppeech, we want the truth, not half truths and outright lies.

The President of the U.S. was elected by the majority of the U.S. people and is a man trying for peace. The L.P.P. representative also put forth the Financiers' bogey, when men like Chas. Wilson have to sell his holdings in the G.M.C. before he could serve his country. These half-truths are injurious to people who don't follow world affairs and receive your sheet only.

When our sons shed their blood to maintain peace and prevent world-wide dictatorship, we are poor souls indeed if we don't back them up here.

Chas. E. O'Neill
Pembroke, Alta.

Immediate employment available.

Unlimited opportunities for advancement to managerial positions for men with ability and initiative. Personal interviews arranged at our expense for successful applicants. State educational status, age, experience and other background information in applying.

Please apply in writing

Box 310, Edmonton, Alta.

LETTERS TO LOUISA

Dear Louisa:

I am fifteen years old and have three sisters and four brothers.

My mother just fusses all of the time and for everything I do. She tells me to cook and, when I do, she fusses. I just don't know what to do.

I don't want to say anything back to her. Will you please tell me what to do?

J.T.P.

Answer:

Just try to be patient and do the best you can. Your mother is probably over-worked and worried with all the things she has on her mind and doesn't realize how miserable she is making you by her complaints.

It will take a lot of will-power and goodness on your part but try not to get angry with her and tell her that you are sorry that what you have done doesn't please her and that you will try to do what she wishes. I feel sure that life will be a little pleasanter for you both if you do.

It doesn't take many years for children to grow into men and women and it is a pity that so many mothers lose this opportunity of drawing their children closer to them by being sympathetic and understanding.

Young people in their teens are unpredictable and oftentimes careless but they get through this stage eventually. It helps a great deal if some of their faults are overlooked.

In your case, J. T., be as sweet to your mother as you can. Love begets love and if you do what you can to please your mother, it will pay off sooner or later.

Louisa.

Dear Louisa:

My husband makes a small salary and I have to work very hard at home.

His work is fairly easy but he thinks that he should sit down and let me care for the children fix dinner and clean up at night. I am so tired, I can hardly go.

What do you think of this?

Answer

G.M.

I think that taking care of the home is a women's job but I do think that if that job becomes unusually hard, and if the husband cannot afford to hire help for his wife, he should certainly lend her a helping hand.

After all, they are his children as much as hers and surely, he should take care of them while she is busy with the dinner or cleaning up.

The boys and men of today are much better about helping with the household tasks than they were a generation ago, however, and I think it makes a couple feel closer together than they would, otherwise.

When a man helps with his chil-

drop, he understands them better and they love him more than they would if he leaves them entirely to the mother.

I do not think that a man who works very hard outside of the home should be expected to come home and take up the work that a lazy wife has neglected to do. She should try to systematize her housekeeping so that the work doesn't pile up to greet a tired man at the end of the day.

Louisa

FUA Policy To Advance Interests Of Farmers

OLDS—"The policy of the Farmers' Union of Alberta is to advance the interests of the people on the land," stated Henry Young of Millet, president of the FUA, in an address to the 140 members attending the first FUA Leadership Course in Alberta at the Olds School of Agriculture. "The aims are to see that the farmers get a fair share of the national income; to correct the disparity at present existing between living standards in town and country; to get parity for agriculture."

"To accomplish this, country people need to take a more active interest in both local and national questions which affect their welfare. Farmers should insist on taking their part in the agencies through which agricultural products are marketed. If farmers want parity they must be prepared to work for it."

Instruction and workshops in public speaking were conducted by Doug. Thornton of the FUA Co. operative in Calgary; S. Hillerud of the extension department of the University of Alberta; W. W. Wagner, Alberta Wheat Pool, Lethbridge; D. Campbell, of the department of extension, University of Alberta. Mrs. J. Harrold of Edmonton lectured on group technique. Other workshops stressed duties of president, vice-president, secretary, and committees. Gordon R. S. Hawkins, from the extension branch of the U. of A., enlarged on the art of group discussion. Lt. Col. E. W. Cormack, department of extension, University of Alberta, dealt

Ever-Charge CHARGES BATTERY IN TEN MINUTES

Automatically Keeps Battery Charged
Start MOTOR, Use LIGHTS, Play RADIO as Much as you Like.
No More Charging — Ever-Charge Does It!
DOUBLES LIFE OF NEW OR USED BATTERY
(Only one treatment required)
For Use in Cars, Trucks, Tractors, Lighting Plants, Etc.

HOW IT WORKS

Ever-Charge is a chemical that prevents the lead and acid in Battery from combining to form what is called sulphation, which causes 90% of Battery failure. By preventing this sulphation it allows the acid to contact the lead and by so doing keeps the Battery at full charge.

FOLLOW DIRECTIONS ON PACKAGE

GUARANTEE

EVER-CHARGE is guaranteed to do all we claim for it, if used according to directions and if the Battery is mechanically sound. Money back if not satisfied. Only 1 pkg. and 10 minutes required to treat battery. (Once only.)

Price only \$1.50

Insist on EVER-CHARGE — Don't Accept Substitutes
This Coupon Worth 50c Per Package (5 Pkgs. Limit)

Fish & Game Assoc. Holds Banquet, Dance

CROSSFIELD—In the Crossfield Memorial Community hall on Wednesday, April 15, the local branch of the Fish and Game Association held its annual banquet, dance and entertainment. The banquet was taken care of by the Junior WA Avanti Group and was organized very efficiently, with outside help for tables. The banquet consisted of a turkey dinner with all the trimmings and from all comments it was thoroughly enjoyed.

President for the Fish and Game this year, Phil Holman, gave the address of welcome to all. The guest speakers for the occasion were Hon. Ivan Casey, formerly of Crossfield, whose portfolio reads Minister of Lands and Forests, and Mr. George Spargo, chairman of the Calgary Fish and Game Assn. Other provincial members of the organization were present from various localities.

In the predator competition, under supervision of Fred Baker, Jim Rowney won first prize with 595 pairs of feet. Fred Budgeon was second with 396 pairs. Lorne Baxter received third prize with 254 pairs.

For the largest trout 5 lb. 2 ozs., Ed Gilson received a beautiful fly rod, donated by Fish and Game organization, and his frozen trout looked very nice and made most of the ninfrods (green with envy). The second prize, a pair of hip boots, donated by Steve's store, went to the president, Phil Holman, an ardent fisherman. His fish weighed 3 lbs. 5 ozs. Dewey Casey copped the third prize with a 2 lb. 12 oz. trout and received a trouble light donated by Sharpe's Garage.

The ladies were represented with Mrs. Phil Holman's fine first prize trout, a 3 lb. beauty, for which she received a nice fly rod from the organization. Runner-up was Mrs. Ernie Sharp, with a 2 lb. 3 oz. Loch Leven, the Co-op donated a reel for this event. Also on display was a pure white muskrat, caught by Ernie Kline, Airdrie. C. D. Casey provided prizes for the youths' class. Dawn Holman, daughter of the president, received first. Also there was a special prize donated by the organization for the largest pike caught in the Dogpound or Beaver Dam and Phil Holman was the lucky winner once more.

Jerry Cook supplied good music for the dance.

The Avanti hope to clear around \$225. The attendance, though somewhat smaller, did not dampen the usual zip of the annual event.

Coronation Plans Made At Edmonton

EDMONTON—One of the largest military parades in Edmonton's history will be the highlight of Coronation ceremonies June 2, it was announced Monday.

More than 2,000 active and reserve force troops and airmen will take part in the march through the city, and artillery units will fire a royal salute and army riflemen a "feu de joie."

The air force was considering staging a mass "flypast" over the city, and \$5,000 of fireworks will be set off in the evening.

Crossfield News Briefs

Mr. and Mrs. L. V. Bliss entertained at a 500-party in their home recently. A nice lunch was enjoyed and the highest scores went to Mrs. Goettler and Lawrence Garwood.

Bob Aldred and Don Copley received diplomas for their graduation from Olds School of Agriculture and are to be congratulated on their success. Berenice Aldred, cousin of Bob, received her first year marks, which averaged 64.7, from Olds Agricultural School also. Berenice hopes to graduate next year. Her highest mark, well over 70%, was in Home Management.

It is hoped that our readers absorbed the editorial on "Watch That Tractor" in last week's Chronicle. It is well worth anyone's time to look back if it was missed. The same editorial appeared in the Edmonton Sun, and very favorable comments are evidence of its approval.

On Tuesday evening, April 14, at 7:30 in the United Church parlor, the Girl Explorer group entertained the Boy Explorer group, and certainly had lots of fun. Games and refreshments were enjoyed. The leaders for the groups were Miss Edna Jensen and Rev. Mr. Dovey.

Under Miss Frances Banta's leadership the CGIT girls are making miniature armchairs, from stiff cardboard covered with pretty print. These little chairs are used for sewing kits and are very pleasing to view.

Mr. and Mrs. Tubb, parents of Mrs. Clevette, who have been visiting with Const. and Mrs. Clevette during the past week, returned to their home in North Battleford on Tuesday last. They seemed to enjoy our town, and found it a very interesting place.

The afternoon bridge was postponed last week owing to the illness of Mrs. Ed Fraser, who has had a severe attack of flu, coupled with an unshakable cold. We sincerely hope that sunnier days will remedy her illness.

Rev. Mr. Justice officiated at the baptism of Kenneth Harry, infant son of Mr. and Mrs. Leonard Pullan.

Thieves Caught Red-Handed

CROSSFIELD—Two Cardon truckers have received 6 months each in jail, a penalty handed to them after they appeared before Magistrate Rose of Calgary.

Two men were spotted by Bill Walker around three in the morning, loading Atlas lumber over the fence into their truck. Bill immediately phoned Const. Clevette and the manager of the yard, who in no time flat were on the scene. Const. Clevette apprehended the thieves who had not heard their approach, and soon had them both in a Calgary jail, where a few days later they appeared before the Calgary Magistrate.

FWUA Holds Monthly Meeting

CROSSFIELD—On April 8th the FWUA held its monthly meeting in the church parlor, with Mrs. Vera Aldred officiating, and 18 members present. The discussions were many and varied, including suggestions of souvenirs to represent Alberta at the Associated Country Women of the World Convention. Corsages made of nylon or wood fibre to represent the wild rose, emblem of Alberta, was suggested.

A very enjoyable and educational demonstration was given by Mrs. Grace Budgeon on the making of plaster of paris plaques and the painting of same. The meeting adjourned and refreshments were served.

at 2:30 Sunday, April 12, in the Anglican Church.

Mr. and Mrs. Win Bailey are the proud parents of a baby girl, born in a Calgary hospital April 17. Weight 7 lbs. 6 ozs.

Picture Show Enjoyed In SDA Church

LEVELAND—Pictures were shown in the S.D.A. church Saturday evening. Two films through the courtesy of F. J. Schmaltz and the International Harvester Company. One was the new film "Twine around the World", and the other "A Day in Court". After the latter film stickers were passed out "Courtesy is Contagious". Thanks go to the International Harvester Company for the production of this film as safety and courtesy is needed more than ever before. Two comic films from the Calgary library were also shown along with two silent films which were local. One was loaned by Mr. Emil Bereth which was taken at the Pasadena Rose Parade which was of much interest and the other was loaned by John Leiske. This featured Banff, Lake Louise, the Ice Fields, Jasper and the 4-H Club tour, and was taken by the Leiske family.

Level Land News Briefs

Mr. and Mrs. Albert Fisher returned from their three month holiday. They travelled from coast to coast visiting both their daughters at Delbert, their son at Oshawa, Ont., friends in the Dakotas, Washington, Oregon, California and many other States. They returned with a new car staying unexpectedly in Milwaukee, Wis. for fourteen days. They were glad to find everyone well and happy at home again.

Mr. and Mrs. Ed Siemens from Winfield, B.C., who are on their way to Saskatoon, Sask. for a short time to put in their crop, stopped for a few days in this district to visit with their uncle Mr. and Mrs. Ben Krenzler.

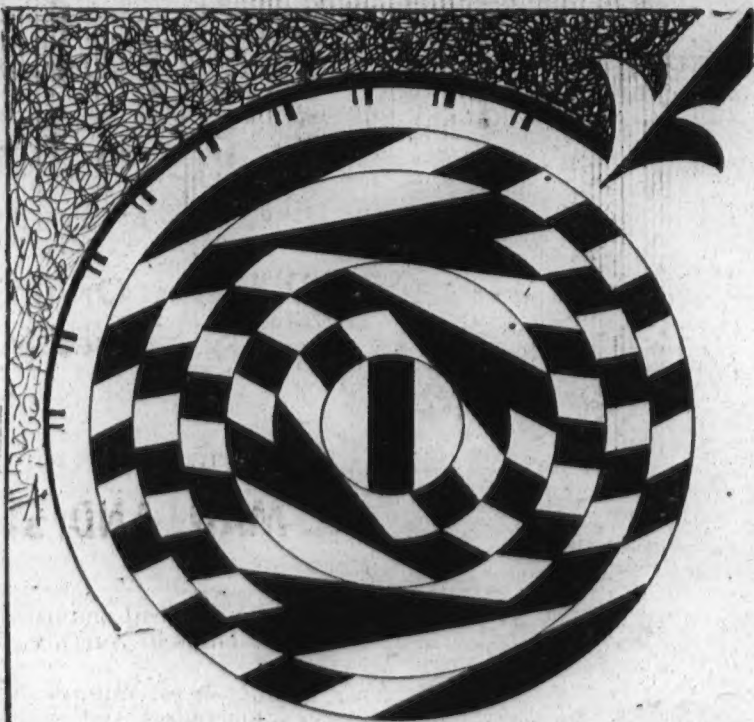

Mr. and Mrs. Theo. Bechtold visited with Mr. and Mrs. Wm. Wetzel at Bentley over the weekend. The business visit was to lay future plans. They report that everything is working out satisfactorily.

THE SENIOR W.A. of the UNITED CHURCH
will be in charge of a

MOTHER'S DAY TEA, SALE of HOME COOKING and NOVELTY TABLE

To be held in the CROSSFIELD COMMUNITY HALL
on SATURDAY, MAY 9 at 3 p.m.

in the Purchase or Sale of Farm lands and Edmonton Property

CALL A MELTON MAN AND START PACKING

TO THE SELLER:

We offer immediate inspection, appraisal and listing of your property by experi-
 enced men who know the value of farmlands in your area and will get you the best price
 in the shortest time.

Your farm will be offered to the largest number of buyers through Melton Real
 Estate's aggressive and extensive advertising, and its many connections.

Your farm will be handled by men who are trained and skilled in the art of find-
 ing buyers, showing property and closing sales.

TO THE BUYER:

An opportunity to select from a large variety of all types of farms in the district
 of your choice and at the price you can pay.

The assurance and knowledge that the "Melton Man" you deal with knows his
 business and has carefully inspected and valued every property he shows you and that
 it is fairly represented.

Complete service, satisfaction and value with minimum of worry and expense
 to yourself.

For up-to-date information and service on all types of Edmonton property, con-
 tact your local "Melton Man," or

Edmonton's Largest Realtor

Wants Continuation Of CBC Controls

By L. W. Newcombe

In his closing address on the budget, Mr. Manning speaking on the \$50,000 appropriation, used these words, "This appropriation for agricultural broadcasts, certainly is not going to be used in the same manner as the C.B.C. The C.B.C. has been primarily, as far as its so-called free service is concerned, a political propaganda organ for the government of Canada." A more flagrant "disregard of truth or fairness" can hardly be imagined, but coming from the Premier, such words are inexcusable.

Mr. Manning knows well that the C.B.C. has been most fair in apportioning its free time for election broadcasts, justly and impartially and after full consultation and agreement with the leaders of the different political parties. The regulations state (2) "Each station shall allocate time for political broadcasts as fairly as possible between the different parties or candidate desiring to purchase or obtain time for such broadcasts". The Corporation insists that all stations carry out this policy.

If Mr. Manning refers to the different commentators used on the C.B.C. then he is a non-listener, or, wilfully perverting the facts. The panel of speakers are of the best available and are permitted free and independent expression of facts or opinions as they see them. On Sunday James Minifie, Woodworth, McGeachy, etc. Other times we hear, Kenneth Harris, Geo. Ferguson, Paul Hoffman, Harvey Dickie, Matthew Halton, Basil Dean, Burton Keirstead, Michael Barkway Baldwin, and so on. Sometimes we do not agree with their conclusions, but at least with the C.B.C. we are not denied the hearing of speakers of different views. Regarding this, the regulations state, (7) "It is not the intention of the Corporation to restrict freedom of speech, nor the fair presentation of controversial material. On the contrary the policy is to encourage the fair presentation of controversial questions".

Radio and Television have become important educational agencies, perhaps equal to the schools in some respects and certainly most Canadians prefer, and are concerned that they be kept under public control and as free from commercial or advertisers control as possible. We have observed how the American people have been led

around to their hurt by the abuse of this modern discovery. The 242 air channels set aside, in the U.S. for education, out of the 2000 are mostly unused because television is developed to make money for the sponsors and not as a public service. The present attempt to limit the authority and work of the C.B.C. if successful must inevitably lower the high standards set by our own institution in the interests of the moneychangers who would exploit the air waves for private gain. The people of Canada will stand against any moves of this kind.

Carl Berg Addresses Fort Lions Club

FORT SASKATCHEWAN. The Men's Club of Fort Saskatchewan held their last meeting of the winter season in the basement hall of the United Church. About 35 members sat down to a sumptuous dinner prepared by stewards. Stuart Palmer and Charles Gallo presented tendered Mr. Berg a way. Some time later President

Percy Galloway introduced the speaker of the evening, Mr. Carl Berg of the Canadian Congress of Labor. Mr. Berg traced the history of the trade union movement in Canada from its inception to the present day. He stated that all matters of public concern had to come before the eye of public opinion before they were actually placed on the Statute Book and that labor legislation had contributed very largely to the high standard of living. Very soon he expected to be on his way to Geneva, Switzerland, to attend the International Labor Organization as one of Canada's delegates, where he would meet with labor representatives from all parts of the world, including a few from behind the Iron Curtain. The discussions at Geneva would tend to co-ordinate labor relations internationally. Finally he stated that at the conclusion of the convention at Geneva he would leave for Stockholm as a delegate to a similar convention in Sweden. At the conclusion of his address those present tendered Mr. Berg a hearty vote of thanks.

"Youth For Christ" Organizes

ONOWAY — A group of young people, representatives of different churches in the town assembled in the Gospel Tabernacle on Thursday evening the 9th for the purpose of organizing under the Youth For Christ standard. This is an International and interdenominational organization, aimed to meet the spiritual need of young people, also to provide wholesome recreation and utilize talents. Their motto is, "geared to the times, anchored on the rock".

A rally with program is being arranged for Thursday evening, April 23rd. Rev. Milton Chugg has been invited from the city as guest speaker and to assist with further

organization. All young people are requested to attend and all adults interested in the promotion of this very worthy cause.

At the end of 1951 Canada's 2,100,000 passenger automobiles were being driven 12,000,000,000 miles each year.

REGENT CLUB COUPE

and road-test a lively new '53 **DODGE**

A NEW IDEA FOR GREATER CONVENIENCE

The front seat of Dodge two-door models is divided 1/2-2/3 so that rear seat passengers can get in and out with minimum disturbance of front seat riders.

YOU ENJOY GREATER SAFETY

Better All-round Vision — New, curved one-piece windshield and downswept hood give you a closer, wider view of the road. Higher, wider side and rear windows provide excellent all-round vision. Wide-sweeping electric windshield wipers give constant-speed, efficient performance.

Unique Safety-Rim Wheels — Standard equipment on all Chrysler-built cars — help hold tire on the rim in case of a blow-out, allowing safer, straight-line stops.

Dual-Cylinder Front Wheel Brakes — Dodge has two hydraulic cylinders in each front wheel brake for balanced control — providing more stopping power in front where it is needed. Brake linings are of rivetless Cyclebond lining which provide longer, trouble-free life with no chance of drum scoring.

Sunshine or rain, spring gales or balmy breezes, you'll be safe, comfortable and content in a new, livelier 1953 Dodge.

You'll find that a brand new approach to suspension design has helped create a car which handles surely . . . hugs the road . . . and takes the curves in stride.

You'll experience new performance too — with a new, more powerful engine (now rated at 108 h.p.).

And, if you desire, you can have the smoothness and no-shift ease of new Dodge Hy-Drive, available on Mayfair and Regent series at extra cost. With Hy-Drive you shift directly into High — then you can stop and go as you please without touching the gearshift or clutch.

Discover this amazing new Dodge for yourself. Come in today and arrange for a road-test.
